HT (heat treatment)

The current certificates are available
in the download area of our website at
[HASSLACHER.COM](https://www.hasslacher.com).

Sustainability

The HASSLACHER group stands for a careful use of wood as a resource. Our raw materials come from sustainable and controlled forestry. Our locations are certified according to the strict PEFC standards.

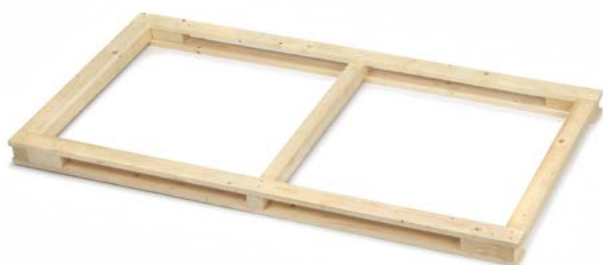

02

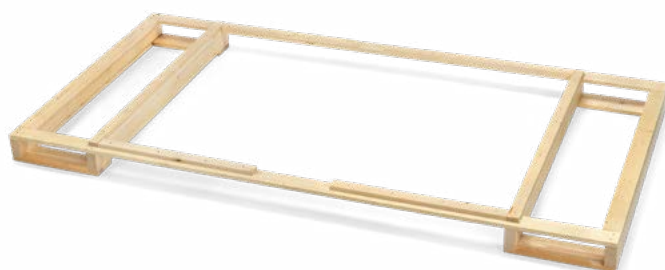

Product portfolio

Flexible partners, uncomplicated logistics.

We manufacture our pallets, packaging solutions, container slides & heavy load packages individually – from small to large series, according to the customer's requirements.
