

Certificate D

of competence to manufacture glued load-bearing timber structures
in accordance with DIN 1052-10:2012, Table 2

After inspection of the specialised staff, factory equipment, factory production control
and bond quality of samples of glued load-bearing timber structures, it is hereby
certified that

the company

HASSLACHER Holzbauteile GmbH & Co. KG
Am Hundsrück 2
63924 Kleinheubach / Germany

and its production site in 63924 Kleinheubach / Germany is qualified for the reparation
of load-bearing timber structures by means of

crack fillings,
glued-in steel rods,
glued reinforcements and
spliced connections.

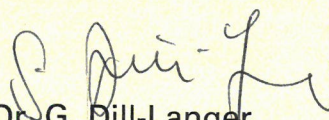

This certificate is valid under the conditions noted as follow until

30th June 2028

Stuttgart, 01.07.2023

Leiter der Prüfstelle

Dr. G. Dill-Langer
